## PREFACE

*"SOCIETY is a wave. The wave moves onward, but the water of which it is composed does not."*

—RALPH WALDO EMERSON

We present for your approval the 1957 issue of the Social Register of Greater Miami. The continuation of this publication for the past twenty-nine years has been made possible by the careful co-operation of an Advisory Committee composed of prominent Greater Miamians and by the courtesy and assistance of those interested in the social and cultural life of the community.

Every effort has been made to insure accuracy. We earnestly ask your indulgence for errors and omissions. Information, corrections, confidential comments or suggestions should be addressed to the attention of the Editor.

Listing in the Social Register is by invitation only. Proposal of new names for listing must be submitted to the Editor in writing, with as much information as is available.

This publication is in no way connected or affiliated with any other publication.
